

**Scheduled Maintenance:**

This site will be undergoing scheduled maintenance on Friday, Feb 7; CET – 9:30 PM to 11:30 PM; IST – 2:00 AM to 4:00 AM (Saturday, Feb 8); EST – 3:30 PM to 5:30 PM; GMT – 8:30 PM to 10:30 PM. During this time, some functionalities may be limited. We appreciate your patience and understanding.

CARD READERS

Omni® Smart Card Reader, Mobile Ready

Honeywell's signature Omni® Smart physical access control readers offer versatility, performance, and mobile-ready connectivity for a highly adaptable and secure approach to electronic access control.

Overview

Feedback

Offering an unparalleled breadth of functionality, Honeywell Omni® Smart readers provide security system installers and administrators with a simple and effective approach to secure access control for almost any scenario.

With support for the widest array of credential technologies — past, present and future — Honeywell Omni® Smart readers are the perfect choice for those looking to make the transition to a secure authentication technology.

Honeywell Omni® Smart readers transcend the traditional approach to security by being designed to be connected and managed remotely without needing to physically touch each device. This functionality empowers access control systems to dynamically respond as new needs, configurations or threats arise.

Models are available to fit applications requiring a narrow reader or for wall switch mounting, with or without a keypad.

Features & Benefits:

- Mobile-ready by default
- Sleek, innovative design to suit modern architecture
- Integrated OSDP for secure authentication and configuration post installation
- Built on a hardware platform designed to be adaptable to support future technology
- Leveraging the power of the HID Origo® ecosystem
- Supports Apples Enhanced Contact-less Polling (ECP) to support credentials in Apple Wallet
